

Junctions / Bridges Options

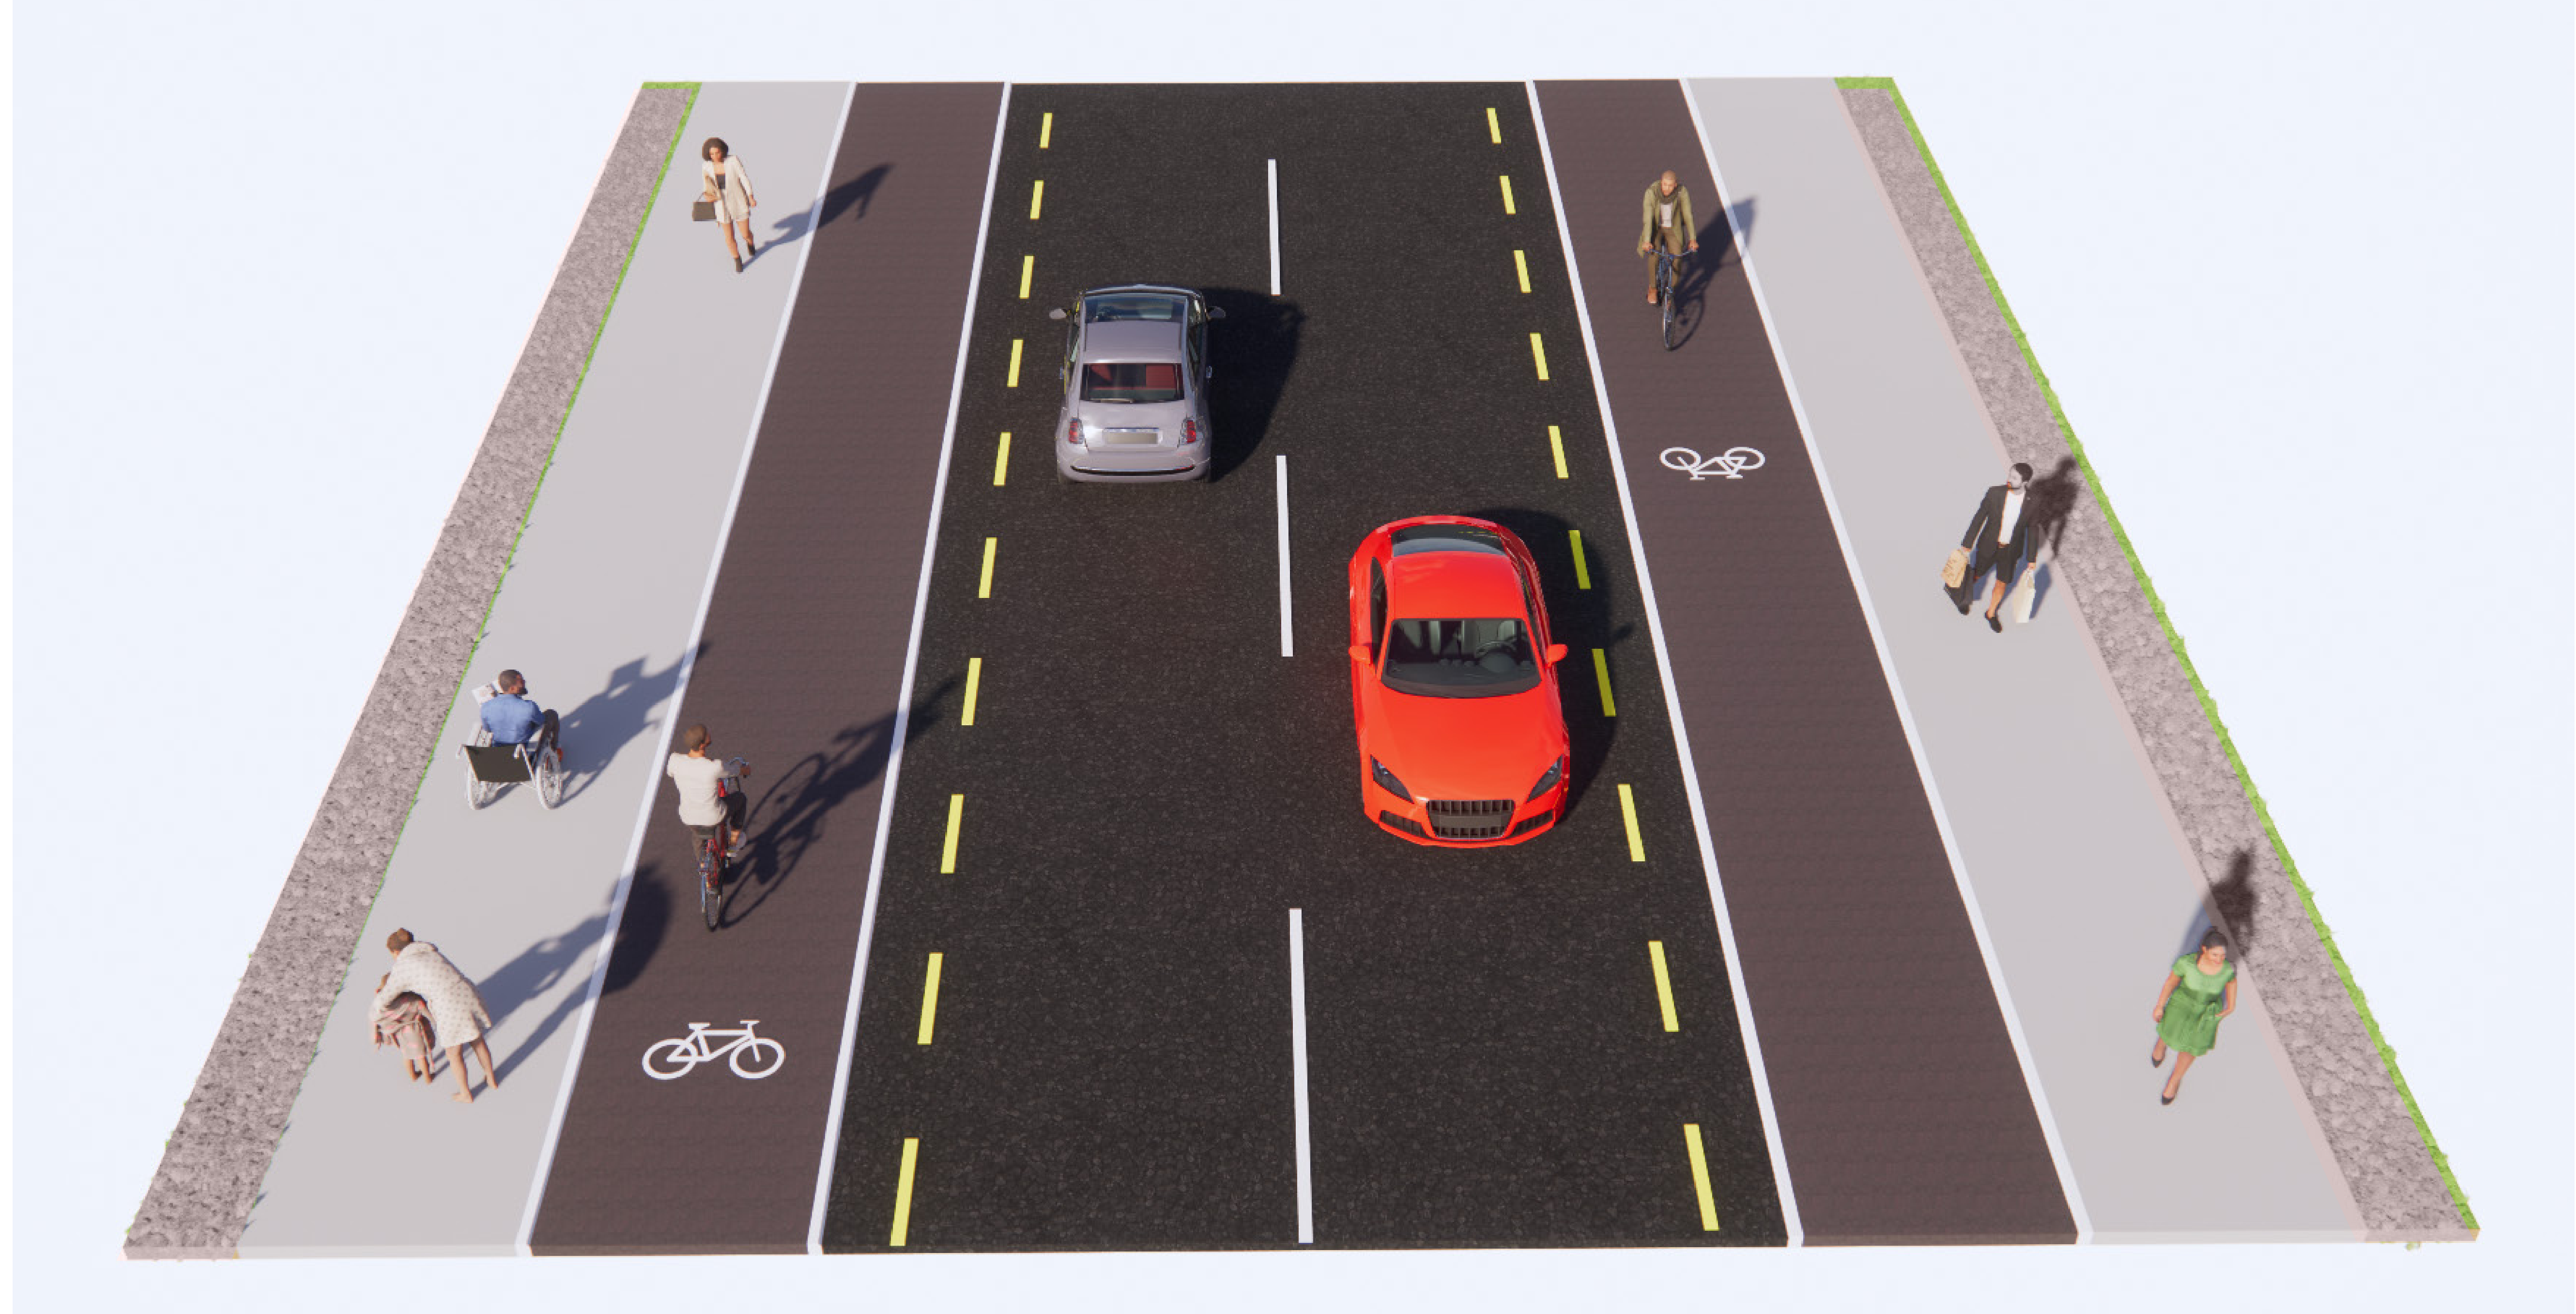

Potential Transport Options that have been shortlisted and will be taken forward for further assessment

Active Travel options are being considered at all junction and bridge locations shown.

Junction 5 Leixlip

Active Travel means walking or cycling as part of a purposeful journey. Walking as part of a commute to work, cycling to the shop, or scooting to school are all considered Active Travel.
Active Travel is included in all junction and bridge options.

Cycle Parking
Provision for cycle parking and infrastructure will be a consideration on the preferred option.
